Profile not to actual proportions

This is a digital representation of the original GIA Report. To verify the information herein, please refer to reports@gia.edu. This Report is not a guarantee, valuation or appraisal and evidences only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") and/or has been inscribed using the techniques and equipment used by GIA at the time of the examination and/or inscription. Interpretations reported in this document are not a guarantee, validation, or warranty of a diamond's quality, country of origin or source, or that the diamond will be identifiable by the association in the future unless inscriptions can be retrieved. GIA makes no representation concerning any trademark, word, or symbol which is associated by GIA or which is identified on this Report. The recipient of this Report may wish to consult a credentialed jeweler or gemologist about the information contained herein.

For terms, conditions, and limitations, see: www.gia.edu/terms or call 800-421-7250 or 760-603-4500.
